CHAMPIONSHIP TRADITION

22 Straight Trips to a NCAA Regional

The Alabama softball team has made 22-straight appearances in NCAA postseason play. The streak started in 1999 under first-year head coach Patrick Murphy. Every season since his first at the helm of the Crimson Tide, Alabama has been a mainstay in postseason play. The 22-year streak includes 13 Women's College World Series appearances and hosting 19 NCAA regionals in Tuscaloosa. The Crimson Tide has hosted a regional every season since 2005 and have advanced to the WCWS nine times in that span. Postseason play has been kind to Alabama in Tuscaloosa, as the Tide has won the Regional round all but twice.

13 Women's College World Series berths

Alabama has advanced to the Women's College World Series 13 times over the program's 25-year history. Alabama's 13 appearances have all come since 2000 and they have won at least one game at Hall of Fame Stadium 10 times. The 2012 Crimson Tide became the first team in Southeastern Conference softball history to win a national championship. Sixteen different players have been selected to the WCWS All-Tournament team, including 2012 Most Outstanding Player Jaclyn Traina.

16 NCAA Super Regional Appearances

Alabama is the only team in the nation to appear in 16 NCAA Super Regional rounds, qualifying every season since the NCAA introduced the round in 2005. The Tide have won 11 of those 16 series, winning 10 of the 11 series that have been played in Tuscaloosa.

12 Southeastern Conference Titles

Alabama has won 12 different Southeastern Conference titles, earning the regular season trophy outright in 2006, 2010, 2011, 2012, 2014 and 2019 and six SEC Tournament titles in 1998, 2003, 2005, 2010, 2012 and 2021. In its second season of existence, Alabama claimed the tournament title in 1998, beating No. 12 LSU twice and earning a ninth-inning victory over Mississippi State. The Tide's first regular season title came in 2006 on the strength of a 25-4 league record. The Tide swept its way through the 2010 campaign by claiming both the regular season and tournament titles. Alabama swept both titles once again in 2012, winning its third-straight regular season championship before claiming the tournament title in Tuscaloosa en route to the program's first national championship. Subsequent regular season titles came in 2014 and 2019 and for the second time, Alabama won a SEC Tournament Championship at Rhoads Stadium in 2021.

In 2021 Alabama won the SEC Tournament in Tuscaloosa. The Crimson Tide is the only team to win the SEC Tournament on its home field, doing so in 2012 and 2021

Alabama has not lost a game in NCAA Regional play since 2007, a streak of 43-straight games following the 2021 season

ALABAMA AT THE WOMEN'S COLLEGE WORLD SERIES

Alabama has been to the Women's College World Series 13 times, playing in Oklahoma City more often than it hasn't over the program's 25 years of existence. The team made its first trip in 2000, also notching its first win in an elimination game against DePaul. The Crimson Tide finally broke through in 2012, defeating Oklahoma in a thrilling three-game series to capture the first national title in program history and the first for the Southeastern Conference.

2000

In only the fourth year of the program's history and the second under head coach Patrick Murphy, the Crimson Tide welcomed in the new millennium with its first appearance in the Women's College World Series.

The young 2000 squad went 1-2 in Oklahoma City with a 6-4 victory over DePaul. Tide junior Kelly Kretschman was named to the WCWS All-Tournament team after a three RBI performance in the DePaul game. It was the only World Series appearance for the future Team USA gold medalist, but was only the start of what would become one of the most impressive runs of the decade.

2003

In 2003 the Crimson Tide found themselves back in Oklahoma City for the second time in school history. The SEC Tournament champions, who swept through the NCAA Regionals, ran into a wall in Oklahoma City being one of the first teams sent home after two straight defeats.

The offense of Arizona and Oklahoma proved to be too much for future All-American Stephanie VanBrakle, as the right-handed hurler took the loss in both games. After an eight-inning fight with Oklahoma, the Sooners scored three runs in the top of the ninth to take down Alabama in the first elimination game of the tournament.

2005

Alabama's third trip to Oklahoma City would come in 2005, fresh off an SEC Tournament championship. After the Tide lost to Texas in its opening-round game, Alabama once again found itself in one of the first elimination games of the tournament.

This time the Crimson Tide came up with a different result. After battling with DePaul in a 1-1 tie for 11 innings, Alabama's Michelle Menningmann came around to score in the bottom of the 12th for Alabama's second win in WCWS history. The Tide would be sent home the next day after a 4-0 loss to Tennessee.

2006

In the first game of the 2006 WCWS the Crimson Tide found itself in a dogfight right off the bat. It took 10 innings to decide the opener against No. 11 seed Northwestern. After taking a 5-4 lead into the bottom of the seventh, the Tide gave up a run and eventually fell to the Wildcats in 10 innings, 6-5.

The team did not recover and fell to Pac-10 power and No. 1 seed UCLA, 4-1, marking Alabama's second winless trip to Oklahoma City.

2009

After coming out flat in a 6-1 opening game loss to Michigan, a determined Alabama team stormed back to defeat Arizona 14-0, breaking the record for the most runs scored by one team in a single game in WCWS history at that time.

In the next game, Patrick Murphy found his team down 2-0 in the bottom of the fourth to Arizona State. With the bases loaded, Murphy chose to pinch hit freshman Jazlyn Lunceford for four-time All-American Brittany Rogers. Lunceford then hit a grand slam that lifted the Tide to a 6-2 victory.

The next day after carrying a 5-2 lead into the bottom of the seventh, Alabama was beaten by a clutch grand slam. Florida eliminated the Tide from the WCWS with a heartbreaking 6-5 defeat.

2011

The 2011 Crimson Tide sailed through the first two rounds of the WCWS, earning a win in the opening game for the first time in school history. Alabama then won its second game as well before falling in the semifinal round.

Behind the right arms of senior Kelsi Dunne and freshman phenom Jaclyn Traina, the duo combined to one-hit No. 7 California in the first round for a 1-0 win. The tandem returned the next day to baffle No. 11 Baylor in a 3-0 win. Senior Whitney Larsen went on to earn WCWS All-Tournament honors.

2012 - NATIONAL CHAMPIONS

The 2012 Alabama Crimson Tide became the first team in Southeastern Conference history to claim the national championship in softball. The Tide accomplished the feat in its eighth trip to the WCWS.

Behind WCWS MVP Jaclyn Traina and the potent Alabama bats, the Tide sailed to its first-ever championship series appearance. Against an Oklahoma team that featured the national player of the year in Keilani Ricketts, the Sooners took game one, but the Tide rallied to seize the next two victories. The championship game was one for the ages, as Alabama trailed, 3-0 early. But a light rain opened the flood gates for the Tide and the comeback was complete, with Ricketts going down on strikes for the last out.

2014

After missing out on the Women's College World Series in 2013, the Crimson Tide returned to Oklahoma City in 2014 as the No. 2 overall seed, marking the ninth WCWS trip in program history.

Alabama defeated the defending national champion Oklahoma in the opening game, 6-2, before holding off a late rally by Kentucky the next day to win, 2-0, and stay in the winners bracket. A matchup against top-seeded Oregon awaited on Sunday, as the Tide shut out the Ducks, 2-0, to advance to the WCWS championship series against SEC rival Florida. In the first ever national title matchup between two SEC teams, it was the Gators that came away victorious, defeating the Tide in two games, 5-0 and 6-3.

2015

A thrilling Super Regional round victory over Oklahoma secured Alabama's 10th trip to the Women's College World Series, where a matchup against third-ranked Michigan awaited the Crimson Tide in the opening round. For the first time since 2009, Alabama fell in its opening game as the Wolverines shut out the Tide, 5-0.

Two days later, Alabama returned for an elimination game against Oregon, defeating the Ducks 2-0 behind a great pitching performance by Alexis Osorio and a clutch two-run single by Chandler Dare. Facing another elimination game later that night against LSU, the Tide fell short as the Tigers won, 5-3, to end Alabama's season.

2016

A Super Regional round victory over Washington in Tuscaloosa secured Alabama's 11th trip to the Women's College World Series, as the Crimson Tide entered Oklahoma City as the No. 6 seed.

Alabama opened play with a familiar foe in third-ranked Oklahoma and the anticipated prime-time matchup didn't even make it past the second inning before heavy rain forced the game to be delayed, resuming the following night. The Sooners outlasted the Tide in an extra inning pitcher's duel, hitting a walk-off home run in the eighth. Alabama then faced conference rival LSU in an elimination game, falling behind 6-1 early but mounting a late comeback to bring the potential tying run to the plate in the seventh. The comeback fell just short however, as the Tide fell 6-4 to end its season.

2019

After winning an SEC regular season title despite being ranked eighth in the preseason league rankings, it seemed auspicious that the Crimson Tide earned a No. 8 national ranking heading into the NCAA Tournament. Using the number as its rallying cry, Alabama swept its regional before earning a hard-fought series victory over Texas in the super regional round to secure a spot in the field of eight in Oklahoma City.

After a 3-2 loss to Oklahoma, the Tide bounced back in emphatic fashion with a dominant 15-3 victory over Florida. A 2-0 win over Arizona later that night set up a rematch with the Sooners on the final day of bracket play. In the eighth inning of a scoreless game, senior Caroline Hardy came through with a clutch walk-off RBI single to force a winner-take-all elimination game, but Oklahoma won that battle, 7-3, to end Alabama's run.

2021

With no postseason in 2020 due to the Covid-19 pandemic, it was a long two-year wait for Alabama Softball to return to Oklahoma City in 2021. The Crimson Tide earned the No. 3 seed, opening play with a 5-1 win over Arizona. That set up a primetime matchup against the defending national champion and No. 2 seed UCLA. Taking the mound on her 21st birthday, Montana Fouts found plenty of reason to celebrate as she threw the fifth perfect game in WCWS history to defeat the Bruins, 6-0. A narrow 2-0 loss to Florida State two days later set up an elimination game, with a late Tide comeback falling just short as the Seminoles won, 8-5.

ASHLEY COURTNEY

Outfield/Catcher - Vero Beach, Fla.

2002 - NFCA FIRST TEAM | 2005 - NFCA SECOND TEAM

Ashley Courtney jumped onto the national scene as a freshman and never looked back, as she earned All-America accolades as a rookie and as a senior. Courtney helped guide the Crimson Tide to two Women's College World Series berths - the second and third appearances for Alabama in Oklahoma City. She became the third player in Alabama history at the time to hit over .400 in a season. The Vero Beach, Fla., native is tied for the career record at Alabama with 16 triples. She ranks fourth all-time at the Capstone in runs and hits and holds the eighth-best career batting average. Courtney paced the team in batting average as a freshman and as a senior.

STEPHANIE VANBRAKLE

Pitcher - Chambersburg, Pa.

2005-06 - NFCA SECOND TEAM

A threat in the circle and in the batters box Stephanie VanBrakle was the first two-way All-American to suit up for the Crimson Tide. Her power arm combined with a power bat helped lead Alabama to its first ever Southeastern Conference title in 2006. VanBrakle struck out 1,113 batters during her career to set the Alabama record for five years. Her 345 punchouts in 2006 are the third most at Alabama in a single season.

BRITTANY ROGERS

Outfield - Dacula, Ga.

2006 NFCA THIRD TEAM | 2007, 2009 - NFCA SECOND TEAM | 2008 - NFCA FIRST TEAM

One of five players in Alabama history to be named an All-American in four straight seasons, the fleet-footed Brittany Rogers electrified the diamond with her speed. Rogers became the second player in school history to hit over .400 in three different seasons. The Dacula, Ga., native became the fourth player in Southeastern Conference history and the second at Alabama to tally over 300 hits, 200 runs and 100 stolen bases. Rogers holds the Alabama record for stolen bases with 198 and ranks third all-time with 343 hits and 256 runs while her .417 career batting average ranks fourth.

**CHRISSY OWENS**

Pitcher - Miami, Fla.

2007 - NFCA THIRD TEAM

Right-handed fireballer Chrissy Owens became the third All-America pitcher under head coach Patrick Murphy. Oddly, her All-America campaign in 2007 was not her best. In 2006, Owens was nearly unhittable, leading the Crimson Tide to its first ever Southeastern Conference championship. The Miami native holds the two lowest ERAs in school history, posting a 0.88 mark in 2006 and a 1.33 ledger in 2005. Her 1.49 career ERA is the lowest in school history and her 67 wins ranks fifth all-time. On top of baffling teams from the start, Owens also holds the career mark at the Capstone in saves with 21. Her 11 saves in 2005 are the most in a season in Alabama history.

2007 - NFCA FIRST TEAM

A transfer from Baylor, Lauren Parker had no problems adjusting to her new surroundings as she immediately made an impact en route to earning first team All-America honors. Parker jumped onto the scene and hit .457, the fifth highest season clip in school history. While her .368 career batting average ranks fifth, Parker was equally as good with her glove. The Port Neches, Texas, native teamed up with fellow senior Kellie Eubanks to set an NCAA record by turning five double plays against Texas in the 2009 Tuscaloosa Regional. Known as a free-swinger, Parker was deceptively tough to strike out as she fanned 10 or fewer times in each of her three seasons at the Capstone.

2008 - NFCA FIRST TEAM

One of the greatest defensive players to put on a Crimson Tide uniform and arguably the best defensive third baseman in the country during her tenure at the Capstone, Kelley Montalvo earned All-America honors in 2008. During that 2008 campaign when she helped lead Alabama to its longest stay at the Women's College World Series, Montalvo posted career highs in batting average, hits and RBI. She ranks in the top 10 in the Alabama record books in doubles (4th, 51), walks (6th, 131), on base percentage (7th, .469), runs (9th, 174) and slugging percentage (10th, .579). Her 52 walks in 2009 set an Alabama individual season record and ranked 10th in the country. Defensively, Montalvo garnered SEC All-Defensive Team accolades in 2008 and 2009.

2008-09 - NFCA FIRST TEAM | 2010 - NFCA SECOND TEAM

One of the best two-way-players in the country year-in and year-out, Charlotte Morgan etched her name in the record books. The first in program history to earn SEC Player of the Year honors twice, Morgan broke the SEC career RBI record with 264 and was near the top in every batting record. Her 79 RBIs as a sophomore remained an Alabama single season record for seven years.

KELSI DUNNE

Pitcher - Port Orange, Fla.

2008, 10 - NFCA THIRD TEAM | 2009, 11 - NFCA FIRST TEAM

Making an immediate impact in the circle, Florida native Kelsi Dunne backed up her National High School Player of the Year accolades by becoming one of the top collegiate hurlers. Dunne capped off her career by being named the Southeastern Conference Pitcher of the Year as a junior and a senior. She shattered numerous Alabama pitching records such as lowest opponent batting average (.165), most strikeouts per seven innings (9.82) and most strikeouts (1,219). Dunne was unhittable in the circle, tossing nine no-hitters, including two straight against Jacksonville State to advance the Tide to the WCWS in 2009.

KAYLA BRAUD

Outfield - Eugene, Ore.

2010 - NFCA SECOND TEAM | 2011, 13 - NFCA FIRST TEAM

Kayla Braud started her career in the same way she started many games as the team's leadoff hitter: with a bang. Her freshman campaign proved to be one of the best in NCAA history, helping earn her SEC Freshman of the Year honors while batting a school-record .505 average. She continued to be a model of consistency, earning First Team All-America honors in two of her last three seasons. She was always a threat to get on base, finishing with a .438 career average which is the highest four-year total in program history. She was equally as dangerous on the basepaths, accumulating 182 stolen bases over her career, which ranks second at Alabama.

WHITNEY LARSEN

Utility - Vestavia Hills, Ala.

2011 - NFCA SECOND TEAM

A player who showed steady improvement every season, Whitney Larsen turned in a stellar senior campaign as she put together a career year en route to her first All-America selection. Larsen is regarded as one of the best captains in program history, leading the team to the semifinals of the 2011 Women's College World Series. Larsen proved to be a versatile player for head coach Patrick Murphy, finding significant time in the outfield and at second base before finding a home at shortstop - a position she solidified for two seasons. Quietly, Larsen played her way into the record books. Her 196 RBIs rank third all-time at the Capstone on the strength of 65 RBI as a senior, which marks the fourth-best season output in school history. She also ranks fifth in home runs (48), and seventh in slugging percentage (.601).

Traina is Alabama's fifth four-time All-American, though she was the first to earn three First Team honors. In her senior season, the Naples, Fla., native earned her 100th career win, becoming just the third player in Alabama history and the eighth in SEC history to hit the milestone. More importantly than the records and awards earned over her career, Traina's enduring legacy to Alabama fans will be her role in guiding the team to its first-ever national championship during her sophomore season. Traina led the country in 2012 with 42 wins and struck out 361 batters. She started every game for the Crimson Tide in its eighth WCWS and was named the Most Outstanding Player after securing five wins and batting .400 in Oklahoma City.

Haylie McCleney burst on the scene as a freshman in 2013 with a .465 average, driving in 41 RBIs and swiping 30 bases to earn Second Team All-America honors. She proved her debut season was no fluke with three-straight First Team All-America nods in her remaining three seasons to become the sixth four-time All-American in program history and just the second to earn three First Team accolades. Ultimately, McCleney finished her Crimson Tide career as the program's all-time leader in batting average, on base percentage, walks and triples along with top-five marks in nine other categories. She was equally successful off the field, twice being named the CoSIDA Academic All-American of the Year for softball, just the award's third back-to-back winner, as well as being named the 2016 SEC H. Boyd McWhorter Female Scholar-Athlete of the Year, Senior CLASS award winner and NCAA Top 10 honoree.

Montana Fouts made an immediate impact in 2019, earning SEC Freshman of the Year honors and finishing as a top-three finalist for the NFCA Freshman of the Year award. Following a Covid-shortened 2020 season, the Grayson, Ky., native came out even stronger as a junior in 2021, taking home NFCA Pitcher of the Year accolades after leading the country with 349 strikeouts. She threw double-digit strikeouts in 22 games, including a perfect game against defending national champion UCLA at the Women's College World Series, the first perfect game in Oklahoma City since 2000.

BAILEY HEMPHILL

Utility - Lafayette, La.

2019 - NFCA SECOND TEAM | 2021 - NFCA FIRST TEAM

Bailey Hemphill ended her Crimson Tide career as one of the best power hitters in Alabama history and in the history of the Southeastern Conference. She broke Kelly Kretschman's career home run record that had stood for two decades and became just the third player in program history with over 200 career RBIs. Her 237 career walks is an SEC record and she is one of just three players in league history to rank in the SEC's career top 10 in home runs, RBIs and walks.

RHODS STADIUM

Rhoads Stadium has served as Alabama's home ballpark since 2000, growing into one of the premiere softball environments

For The University of Alabama softball team, home field advantage is a fact of life. After walking through the \$4.2 million stadium and clubhouse, it is easy to see how the Crimson Tide owns an overall 604-99 (.859) record while playing in the stadium.

Additions to the already pristine complex were made during the 2009 season and helped boost the total attendance of the stadium to more than 3,000. Tier seating was added in right field along with a standing-room concourse area that includes tables and drink rails. For the 2012 season, tier seating was added in center field and two new scoreboards were installed to accommodate the fans in the Brickyard.

Construction on a new indoor practice facility, field house and expansion to the clubhouse began after the completion of the 2010 season. The state-of-the-art facility, which was completed before first pitch of the 2011 season, includes a lobby, players lounge, locker room, video room, an expanded training room and coaches offices.

In 2016, a new LCD video board was added, the largest such display in the SEC. A new sound system was also installed on the concourse and in the brickyard.

Rhoads Stadium saw another round of renovations prior to the 2020 season, with the addition of a new concession stand, ticket entrance and umpire locker room along with improvements to the clubhouse, hitting facility and press box.

For pre-game and post-game treatment, the athletic training staff has a fully equipped training room at their disposal, stocked with two training tables, an ice machine, a mini-whirlpool and a hydroculator used to hold heat packs for shoulders, arms, legs.

In the new clubhouse, coach Murphy and his staff can utilize a state-of-the-art video suite for team meetings and film breakdown.

For the fans there are 500 chairback seats, the new tier seating in right and center field, 1,095 bleacher back seats and a large overhang that protects from inclement weather.

There are two ticket booths to accommodate the rush of fans and a large concession stand sitting directly behind the pressbox. Two private luxury suites sit on both sides of the pressbox that includes home and visitor radio booths, a television booth, a booth for the sound and video system, and a media room large enough to hold press conferences during tournaments.

Rhoads Stadium has proven to be one of the finest places to watch softball in the nation and the attendance numbers support that claim. Alabama is the only school in the country to sell out its tickets before the season has even started and the Crimson Tide has accomplished that feat six times. In 2016, Alabama became the first program in NCAA history to average over 3,000 fans during the regular season.

Attendance has topped the 90,000 mark in four of the last eight years, including 2012 (91,541), 2013 (93,332), 2015 (90,021) and 2017 (92,199).

NATIONAL ATTENDANCE LEADER

The fans at Rhoads Stadium provides Alabama Softball with a home field advantage that is second-to-none in college softball. The Crimson Tide faithful pack the seats week-in and week-out and open seats have become such a hot commodity that there is an ever-growing waiting list to secure season tickets.

Alabama has led the nation in attendance in each of the last 11 seasons. Over 90,000 fans came to Rhoads Stadium during the 2012 season that ultimately ended in a national title, and that NCAA-record mark would be bested the very next season when 93,332 packed the stands in 2013. Attendance would again surge past 90,000 in 2015 and, the next season, Alabama would become the first school in NCAA history to average 3,000 fans per game during the regular season.

On April 20, 2013, a NCAA-record 4,002 fans watched Alabama defeat Mississippi State, 11-3, and that would remain at the top of the regular-season attendance list until the Tide bested the mark four years later. With additional stands installed past left field ahead of a highly-anticipated three-game series against in-state rival Auburn, the Tide hosted three-straight sellout crowds of 4,015.

The home field advantage isn't limited to the regular season, as postseason softball at Rhoads Stadium has become an annual occurrence. Alabama has hosted 16 NCAA Regional rounds at Rhoads Stadium, including a current streak of 14-straight starting in 2005. Alabama has not lost a game in Regional play since 2007, extending it to 37-straight games with three wins in 2018. In Super Regional play, Alabama has hosted nine out of the 14 rounds it has qualified to, winning eight of those nine home Super Regional series.

Rhoads Stadium's reputation and its fervent fanbase has also garnered the attention of non-collegiate softball institutions as a premiere destination for events. In 2016, National Pro Fastpitch hosted its Championship Series in Tuscaloosa, marking the first time the event had been held at a collegiate softball stadium. The league saw record attendance numbers over the weekend and allowed the fans to see the return of some of its most accomplished alumni in Kelly Kretschman, Kelley Montalvo, Jaclyn Traina and Haylie McCleney. In 2017, Team USA hosted a doubleheader scrimmage against a selection of local collegiate players, bringing the best players in the country to one of the premiere destinations in the country for softball.

"There is nothing quite like playing and coaching in a packed Rhoads Stadium. Somehow, the noise level increases every year despite having the same number of seats! Not only is our crowd the largest in college softball, but they are also some of the most knowledgeable fans in the nation. They know a good play when they see one and appreciate the talent in both dugouts."

Patrick Murphy, Alabama Head Coach

"Rhoads Stadium is one of the most iconic locales in college sports. The magic moments happening there are legendary and are among the most memorable in postseason history. I love the fans in Tuscaloosa. They are warm, knowledgeable, boisterous and second-to-none. Any softball fan should add the Rhoads House experience to their bucket list!"

Beth Mowins, ESPN play-by-play announcer

"It is the best stadium in the world. I've played in Europe, Japan and all across North America and there's nothing like Rhoads Stadium. The fans are knowledgeable, classy and they create the best environment. They give us such momentum and it's a pleasure to play in front of such passionate fans."

SILVER MEDALIST

After six seasons competing with Team USA, Haylie McCleney's seventh came on the sport's biggest stage in the summer of 2021 at the Tokyo Olympic Games, delayed one year following the Covid-19 pandemic.

McCleney swung the best bat of any player at the Olympic Games, hitting .529 with nine hits in 17 at-bats and just one strikeout, scoring four runs and drawing four walks. She scored the game-winning run in a 1-0 victory over Canada and in a 2-1 walk-off win over Australia. In the final game of pool play against Japan, she broke up a no-hitter in the sixth inning and eventually scored the tying run, setting up a walk-off victory for Team USA the next inning. Team USA rematched against Japan in the gold medal game, with the host nation coming out victorious.

GOLD MEDALIST

After serving as an alternate at the 2000 Olympics in Sydney, Australia, Alabama All-American Kelly Kretschman (pictured, second from left) took full advantage of her opportunity at the 2004 Olympics in Athens, Greece.

Starting in right field for Team USA, Kretschman was the only batter, for any country, to hit for the cycle – hitting at least one single, double, triple and home run – over the course of the Olympics. Her .333 batting average was eighth best in the summer games and her .714 slugging percentage ranked third among all hitters at the 2004 Olympic games.

In 2008 she earned silver at the Beijing Olympics, batting .348 with a home run and six RBIs.

In today's world of collegiate athletics, few can claim to have been at a program since the beginning. Not many can say they were there at the origin of a program, having been present from the very inception to where it stands today. And certainly nobody can claim to have brought a program further, and in shorter time, than Crimson Tide head softball coach Patrick Murphy, entering his 24th season as the program's leader in 2022. From a humble start to a national championship, Murphy has taken Alabama to the top of the college softball world. Beginning with his days as an assistant in the very first years of the Alabama softball program, Murphy has emerged as the face of a team that has grown under his leadership to become one of the most consistently successful programs in the nation.

The accomplishments are there for everyone to see. A 2012 National Championship, 13 Women's College World Series berths, six SEC regular season titles, five SEC Tournament titles and 22-straight NCAA Tournament bids are only a few of the team honors that Murphy has brought to Tuscaloosa during his tenure. The individual honors are equally as impressive. Tide players have earned NFCA All-America honors 60 times under Murphy's watch. He has tutored 107 All-SEC performers and 109 NFCA All-Region honorees. His teams have been just as successful in the classroom, with 33 CoSIDA Academic All-America honors and 274 SEC Honor Roll selections.

Even more impressively, Murphy has led the program to a surge of popularity

among Tide fans. Alabama has become a regular atop the nation's attendance standings, with an ever-growing group of loyal fans who fill the stands at Rhoads Stadium throughout the season. The 2008 campaign was a sellout, setting a new benchmark in season tickets sold with more than 1,200 allocated to loyal fans. During the 2009 season, Alabama broke the single-season attendance record formerly held by Fresno State. Then, in 2010, a record total of 80,690 fans were part of the atmosphere in Tuscaloosa. Attendance eventually topped the 90,000 mark in back-to-back seasons, with 91,541 fans in 2012 and 93,332 in 2013. Alabama led the nation in attendance in 2014 as well, welcoming 83,233 fans to Rhoads Stadium. In 2015, Alabama surpassed 90,000 for the third time in four years, as 90,021 fans made for yet another electric home season in Tuscaloosa. In 2016, Alabama became the first program in NCAA history to average over 3,000 fans per game. The Tide set a single-game attendance record in 2017 with a sellout crowd of 4,015 attending the May 5 contest against Auburn. Fans kept packing the seats the entire weekend, as all three games of the series sold out for a weekend total of 12,045.

Murphy has turned his program into an absolute model of consistency, having guided Alabama to its first national title, 22 consecutive NCAA tournaments, and appearances in 13 Women's College World Series (2000, 2003, 2005, 2006, 2008, 2009, 2011, 2012, 2014, 2015, 2016, 2019, 2021). Since the Super Regional round was introduced to the

NCAA Tournament in 2005, Alabama is the only team in the country to appear in all 15 series, winning 10 of them. Alabama's coaching staff has been named the NFCA South Region Coaching Staff of the Year 11 times (2000, 2003, 2006, 2008, 2009, 2010, 2011, 2012, 2014, 2016, 2019), including national staff of the year honors in 2012 following the team's national title.

In 2012, a magical season for the Tide culminated in defeating Oklahoma for the NCAA Championship, the first in program history and the first for any SEC team. Alabama finished 60-8 and claimed its third-straight SEC regular-season championship. The Tide also won the SEC Tournament, becoming the first team ever to host the highly competitive tournament and come out champions. The NFCA ultimately named the Alabama coaches the 2012 National Coaching Staff of the Year. Since taking over prior to the 1999 season, Murphy has compiled a winning record in all 23 seasons. He has won 45 or more games in 20 of the those 23 years, including a program-best 66 victories in 2000.

Murphy's ability to build and maintain the impressive level of consistency places him among the nation's elite. He has a career mark of 1,149-320 (.782) in 23 seasons as the head coach at Alabama, including a 437-158 (.734) record in league play. It is Murphy's desire for perfection that has guided the Tide to the upper echelon of the softball world. His hard-nosed work ethic has led the program to as high as No. 1 in the national rankings, reached for the first time in program history during the 2007 season. The 2010 squad earned the number one overall seed in the NCAA tournament after finishing the season on a 21-game winning streak, a run that saw the Tide capture both the SEC regular season and tournament titles.

Murphy officially acquired the title of Alabama's head coach on July 12, 1998. He spent the previous two years as an assistant coach on the Crimson Tide coaching staff. In his first season as the head coach, Murphy took the team to its first NCAA Tournament en route to a 39-26 final record. In his second season, Murphy took the program to the next step, leading Alabama to its first-ever Women's College World Series berth after the best regular season in school history. That 2000 team won a school-record 66 games (66-14) and 25 SEC games (25-5). They finished in the top 10 for the first time in school history, after earning a 6-4 victory over DePaul for the school's first win in the WCWS. One could almost say that Murphy was

born to be on the diamond. In the third grade, the Fayette, Iowa, native put on his first baseball glove and took to the little league fields. He later made Fayette High School's varsity baseball squad as an eighth-grader and played for five years under five different coaches.

"I always knew I wanted to be a coach," Murphy says. "My high school was such a small school that I got to play varsity baseball in eighth grade. Every year it was something different I learned, either good or bad, from each coach. My senior year, I tried to put everything together I had learned from all the different coaches and came up with a good collaborative plan." After hanging up his spikes on his prep career, Murphy made the trip to the campus of the University of Northern Iowa where he spent the next four years. Murphy took his first job doing what he always had wanted to do, but on a smaller scale, when he became a little league head coach. Three years after taking that job, he graduated from Northern Iowa with a bachelor's degree in history education. Even with his youngest players on that team being close to his own age at the time, Murphy concedes that his first job as a head coach was where he learned the most about himself and the game.

"Those kids were baseball nuts," he says. "They played baseball on the town tennis court because that was the only place in town that had lights. The lights would go off automatically at midnight, so that is when they knew they had to go home. They taught me so many things about the game of baseball. They played because they loved it so much." It took only two years for Murphy to become a success as a head coach. After leading the Sumner High School boys to a 22-3 record in his first year as head coach, he guided the Aces to the state championship game the next season. Following a short stay at Sumner, Murphy continued his education as a graduate student at the University of Southwestern Louisiana (now known as the University of Louisiana). While at USL, he broke into the collegiate coaching ranks as an assistant softball coach while finishing his master's degree in communications in 1992.

"The head coach at USL knew I had coached baseball in Iowa and she told me about the job," Murphy remembers. "It only paid six thousand dollars, but I was in grad school there and she asked me if I wanted another duty. That's where it all started and I just got hooked." Prospering with the Ragin' Cajuns through a five-year record (1990-94) of 239-46

– including a trip to the 1993 Women's College World Series on the shoulders of former player and current Alabama associate head coach Alyson Habetz – Murphy moonlighted as head coach of the Independence Iowa high school baseball team from 1992-95. Due to the high recognition of his duties as an assistant coach at USL, along with the solid success of his duties as a high school coach, Murphy was hired as interim head coach at Northwest Missouri State in 1995. Although he was officially hired only three weeks before spring practice in 1995, Murphy led the Bearcats to a 28-20 record.

Murphy has proven himself to be a leader capable of recruiting and developing talented players who perform on the field and in the classroom. Combining that with the lure of athletic tradition at Alabama and the nation's finest facilities, the Tide softball team remains among the best in the nation.

24TH SEASON
ALYSON HABETZ
 Associate Head Coach
 SOUTHWESTERN LOUISIANA 1995

If Patrick Murphy has been the face of the Alabama softball program throughout its entirety, Alyson Habetz certainly has played a huge role in developing the Tide into one of the nation's elite. Currently in her 24th season on Murphy's staff in 2022, Habetz earned a promotion when Murphy named her associate head coach in the summer of 2007.

Habetz brings a wealth of knowledge to the Crimson Tide softball staff. She joined on Sept. 21, 1998, in the program's third year. During her tenure, Habetz has helped lead the Tide to 12 Women's College World Series appearances, including its first national championship in 2012, along with six SEC regular season titles and four SEC Tournament titles.

Habetz's primary duties include outfield play and team offense. She also contributes significantly to the evaluation of recruits. "Alyson is a great role model for our players and future recruits," Murphy says. "She is one of the most outstanding people I have met. She was a dream to coach and she is even better to coach with. I think she's the best assistant coach in the country. She has turned down several head coaching jobs already and she keeps getting better and better each year."

During her time in Tuscaloosa, Crimson Tide outfielders have consistently earned NFCA All-America accolades, including four-time All-Americans Kelly Kretschman (1998-2001), Brittany Rogers (2006-09) and Haylie McCleney (2013-16).

Habetz began her stint at Alabama following a four-year career in women's professional baseball. She joined the pitching rotation with the Colorado Silver Bullets women's professional baseball team in 1995 following her collegiate playing career. Habetz played with the Silver Bullets for three years before joining the Long Beach Aces of the now defunct women's professional baseball league as a first baseman and pitcher in 1998.

After her first season with the Silver Bullets, Habetz made the trip to Cooperstown, N.Y., for the opening of a section in the National Baseball Hall of Fame recognizing the Colorado Silver Bullets team. Her good friend and favorite sports hero Tommy Lasorda was on hand for the ceremony. After spending two years fighting the issue in the state courts, Habetz became the first female in the state of Louisiana to play high school baseball, garnering all-district honors as a first baseman and pitcher at Notre Dame High School (in Crowley, La.) while earning all-state honors as a basketball player.

Habetz also excelled in the classroom, representing the NDHS class of 1990 as its salutatorian before earning an academic scholarship to the University of Southwestern Louisiana (now the University of Louisiana), where she had earned a basketball scholarship. While displaying her talents as a basketball player at USL, Habetz was a member of the softball team, earning third team All-America, All-South Region, All-Louisiana and Academic All-America honors with the Ragin' Cajuns. While at USL, she played for a staff that included Murphy, who was an assistant coach in Lafayette.

Habetz helped lead the Cajuns to an appearance in the 1993 Women's College World Series. As a member of the basketball team, Habetz etched her name in the record books, settling in at No. 7 all-time on the career scoring list en route to earning membership in the 1,000-point club. She graduated with a bachelor's degree in communications in 1995. Habetz was a 2006 inductee into the Louisiana High School Coaches Association Hall of Fame. She also is enshrined in the University of Louisiana at Lafayette's Sports Hall of Fame, where she was inducted in 2003.

11TH SEASON

STEPHANIE VANBRAKLE PROTHRO

Assistant Coach
ALABAMA 2006

Stephanie VanBrakle Prothro enters her 11th season as the University of Alabama's pitching coach in 2022. In her first season guiding the Alabama pitching staff in 2012, she helped the Crimson Tide win its first national championship. Behind the right arm of Jaclyn Traina, the 2012 team rolled through the postseason, winning the Southeastern Conference regular-season title for the third-straight year and then claiming the SEC Tournament title before advancing through the NCAA Regional and Super Regional rounds and finally capturing the coveted national championship.

Prothro was instrumental in the development of Traina. In her first season as the ace of the staff, Traina was named an NFCA first team All-American and the SEC Pitcher of the Year. Traina led the nation with a school-record 42 wins and struck out 361 batters, another Tide all-time best. The following season in 2013, Traina again earned NFCA and Easton All-America honors. As a senior in 2014, Traina was again named a First Team All-American and took home SEC Pitcher of the Year honors, helping lead the Tide to a runner-up finish at the Women's College World Series.

In 2015, Prothro oversaw a pitching staff that included SEC Freshman of the Year Alexis Osorio, a First Team All-American and top-three finalists for the NFCA Freshman of the Year award. Sophomore Sydney Littlejohn also threw a pair of perfect games that season, becoming the first Tide pitcher to throw a perfect game since Prothro did so as a player for Alabama in 2006. Littlejohn was tabbed a Second Team All-American in 2016 and earned national accolades following two wins on the road against then-top ranked Florida during the regular season.

On opening weekend of the 2017 season, Osorio threw the program's fourth perfect game in a win over Coastal

Carolina, fanning a school-record 19 batters, which surpassed Prothro's own record that had stood for over a decade. That win marked the start of what would be another All-American season for Osorio in which she earned 23 wins with a 1.21 ERA and 334 strikeouts, including four games with 18 or more strikeouts. In the NCAA Tournament, Osorio allowed just two runs over 23.2 innings pitched with 29 strikeouts against top-ranked Minnesota and top-seeded Florida.

In 2019, Alabama's pitching staff earned a pair of postseason honors from the Southeastern Conference, with Sarah Cornell as its Pitcher of the Year and Montana Fouts the Freshman of the Year. Fouts would also go on to earn NFCA All-America honors and was a top-three finalist for its national Freshman of the Year award.

In 2021, Fouts led the NCAA with 349 strikeouts, earning NFCA Pitcher of the Year and SEC Pitcher of the Year honors. At the Women's College World Series, she threw a perfect game against defending national champion UCLA, the fifth in WCWS history and first since 2000.

Prothro was named Alabama's pitching coach on July 5, 2011, returning to Tuscaloosa after spending one season as the head coach at Samford. Prior to serving as Samford's head coach, she spent the previous two years as the head coach at Birmingham Southern College. She posted a record of 57-14 in her two seasons with the Panthers, for an impressive .803 winning percentage.

In her first season as a head coach in 2009, Prothro led the Panthers to a 32-5 record. The team broke 13 program records, including the mark for wins in a season. Her first team posted a .364 team batting average and 1.19 ERA. Prothro's 2010 team then finished with a record of 25-9 overall and 12-4 in the Southern Collegiate Athletic Conference.

Prior to becoming head coach at Birmingham-Southern, Prothro spent the

2008 season as an assistant coach on the BSC staff. That season, the Panthers earned a 32-28 record for the first 30-win season in program history. She also helped coach four All-Big South Conference players and two CoSIDA Academic All-District honorees.

Prothro played professionally in National Pro Fastpitch (NPF) for the Philadelphia Force prior to being hired at Birmingham-Southern. She also served as a 2007 student assistant coach at her alma mater, with the Tide going 55-10 during that season.

During her stellar career at Alabama from 2003-06, Prothro helped the Crimson Tide win its first Southeastern Conference regular season title in 2006 plus SEC Tournament championships in 2003 and 2005. She earned SEC Tournament MVP honors in 2005 and was named SEC Pitcher of the Year in 2006.

Prothro helped her team make NCAA Regional and Super Regional appearances during all four of her years at Alabama, as well as three NCAA College World Series appearances (2003, 2005, 2006).

A native of Chambersburg, Pa., Prothro was named an NFCA second team All-American in 2005 and 2006. She was also SEC Pitcher of the Year and was one of 10 finalists for the Collegiate Player of the Year as a senior in 2006. She also was named to the SEC Academic Honor Roll four of her years at Alabama.

Prothro's other playing honors included 2003 Region VIII Tournament MVP, NFCA All-South Region in 2003, 2005 and 2006, and NFCA All-American in 2005 and 2006. She also earned all-conference honors each of her four years at Alabama and was named the 2003 SEC Freshman of the Year.

Prothro earned a Bachelor of Science degree in physical education from Alabama in 2007. She and her husband, Quintin Prothro, and son, Julian, currently reside in Northport, Ala.

WHERE LEGENDS ARE MADE

THE UNIVERSITY OF ALABAMA®

UA.EDU | #WHERELEGENDSAREMADE

Dr. Stuart R. Bell became the 29th president of The University of Alabama on June 18, 2015. Currently in his seventh year of leading the University, Dr. Bell previously served the Capstone for 16 years as a faculty member and then department head of mechanical engineering.

Under his leadership, the University developed and implemented a strategic plan, Advancing the Flagship, which promotes institutional progress with scholarship and teaching, research and creative activity, inclusion and diversity and the recruitment and retention of highly qualified faculty and staff. Since the plan's launch, UA has seen an increase in both student retention and graduation rates; has increased faculty headcount to support the University's instruction, research and service goals; has witnessed the growth of sponsored program awards crucial to direct learning and experience opportunities for students; and has benefited from three consecutive historic fundraising years. New interdisciplinary research centers have also been established and join many other programs on campus focused on solving critical, real-world challenges.

Prior to becoming UA's president, Dr. Bell was executive vice president and provost at Louisiana State University and served as both the chief academic officer and the chief operating officer. Before his time at LSU, Dr. Bell served the University of Kansas as dean of the School of Engineering.

With research concentrations in combustion engines, Dr. Bell has expertise in fuels for engines, innovative engine designs and modeling of engine and engine processes. He founded and directed UA's Center for Advanced Vehicle Technologies, an interdisciplinary research center producing new generations of engineers and scientists. Dr. Bell was also inducted as an Engineering Department Fellow by UA's department of mechanical engineering. He was awarded the Society of Automotive Engineer's Ralph Teetor Award for Outstanding Contributions to Research and Teaching and the T. Morris Hackney Faculty Leadership Award for the College of Engineering.

Dr. Bell was also honored with the Richard S. Woodbury Award from the American Society of Mechanical Engineers, was selected as a recipient of the Dwight Look College of Engineering Outstanding Alumni Award from Texas A&M University and was elected to the Academy of Distinguished Alumni in Mechanical Engineering at his alma mater. He also recently joined the 2021-2022 SEC Executive Committee

An Abilene, Texas native, Dr. Bell earned a degree in nuclear engineering from Texas A&M in 1979. He earned his master's and doctoral degrees in mechanical engineering from the same university in 1981 and 1986, respectively.

It was also at Texas A&M that Dr. Bell met his wife, Susan. They are the proud parents of three adult children, Stuart, Stacy and Stephen and three delightful granddaughters and a grandson. Both of Dr. Bell's sons followed in his footsteps and are engineers. His daughter Stacy is a UA alumna.

GREG BYRNE

DIRECTOR OF ATHLETICS

With more than 25 years of experience in sports administration, Alabama Director of Athletics Greg Byrne has built an impressive career highlighted by consistent competitive success, innovative strategies, vigorous fundraising and a strong emphasis on academic excellence and student-athlete enhancement.

Named Alabama's 17th Director of Athletics on January 17, 2017, he made an immediate impact on the Crimson Tide, developing and implementing both The Standard, a strategic plan outlining the mission statement and core values of Alabama Athletics, and The Crimson Standard, a 10-year, \$600 million capital initiative focused on the renovation of facilities and development of infrastructure.

Additionally, The Standard provides benchmarks in the areas of academics, student-athlete welfare, athletics success, financial resources, facilities, staffing and operating with integrity, while The Crimson Standard is designed to provide the foundation for future success in all aspects of the collegiate experience.

Under Byrne's leadership, the Crimson Tide has:

- Posted its highest finish in program history in the Learfield IMG College Directors' Cup at the conclusion of the 2020-21 season, placing seventh, as well as its second-highest finish at 14th following the 2017-18 season
- Added high-impact coaches Nate Oats (men's basketball), Brad Bohannon (baseball), Lindsey Devine (volleyball), Glenn Putyrae (rowing) and Margo Geer (men's and women's swimming & diving) to the Tide's lineup, all five of which made immediate impacts in lifting their respective programs up the national ladder
- Won the 2021 and 2018 College Football Playoff National Championship, earned a place in the CFP Championship Game in 2018, 2019 and 2021 and collected Southeastern Conference titles in football (2017, 2020), men's basketball (2021), gymnastics (2021), softball (2021, 2019) and men's indoor track & field (2018)
- Brought home individual and relay national titles in cross country, gymnastics, swimming & diving and track & field and produced more than 100 All-Americans in 12 different sports
- Earned over 40 CoSIDA Academic All-America certificates as well as some of the nation's top academic honors, including the NCAA Top 10 Award, the NCAA Elite 90 Award, CoSIDA Academic All-America of the Year, NCAA and SEC Postgraduate Scholarships
- Earned the H. Boyd McWhorter Male SEC Scholar-Athlete of the Year in 2017 and produced 14 SEC Scholar-Athletes of the Year in 10 different sports, including a conference-record eight during the 2019-20 academic year

Another hallmark of Byrne's career has been both building and enhancing facilities to championship levels. In his first four years at Alabama, the Tide:

- Raised more than \$300 million toward The Crimson Standard capital campaign, with over half of the 10-year goal completed in a little over two years

- Added a state-of-the-art, first-of-its-kind Sports Science Center featuring advanced treatment services and technology with spaces dedicated to cryotherapy, chiropractic care, stretch, massage, relaxation, recovery and mental health services
- Improved and renovated Bryant-Denny Stadium, including enhancements to all team and recruiting areas, renovations of multiple fan areas, including new Loge and sky boxes and a trio of club areas and an added student plaza
- Renovated and expanded the football team locker room, training room, equipment room and lobby within the Mal M. Moore Athletic Facility
- Added and renovated multiple areas of the John and Ann Rhoads Softball Stadium, with upgrades to the press box and clubhouse, the addition of a new umpire locker room, new restrooms and a new concessions building, as well as new hardscape for the plaza and entryway along first base
- Revitalized the Alabama Aquatic Center with a renovation that included the addition of an outdoor pool

In addition to his role as Director of Athletics, Byrne serves on several committees at both the conference and national levels including:

- United States Olympic & Paralympic Committee Collegiate Advisory Council
- Division I Men's Basketball Committee
- National Coalition of Minority Football Coaches Coalition Academy
- Served as president of the National Association of Collegiate Directors of Athletics in 2020

The son of Bill Byrne, whose long and highly successful career included 30 years as an athletics director, Greg Byrne has spent a lifetime around major college athletics. That background has allowed the younger Byrne to consistently develop and grow as a dynamic and impactful administrator with each new role he has undertaken, with career highlights prior to Alabama that include:

- Serving as the University of Arizona's Vice President for Athletics (2010-17) and Mississippi State University's Director of Athletics (2008-10), making Alabama the third NCAA Division I program he has led
- Fostering major improvements across the spectrum of sports at both Arizona and MSU, raising the bar to new heights when it came to student-athlete enhancement and academic success in preparation for life after sports
- More than \$140 million in construction and renovation of athletics facilities at Arizona
- Serving as the youngest athletics director in the SEC and the youngest to lead an athletic program at the NCAA Division I-A level while at Mississippi State where he oversaw the hiring of head football coach Dan Mullen and former head baseball coach and current Director of Athletics John Cohen
- Experience in the Southeastern Conference, having spent 2002-05 at the University of Kentucky as Associate Athletics Director for Development and Fundraising prior to serving as Associate Athletics Director for External Affairs at MSU from 2006-08 before becoming the Bulldogs' Director of Athletics
- Working at the Fiesta Bowl (1994-95), Oregon (1995-98) and Oregon State (1998-2002)

A native of Pocatello, Idaho, Byrne earned his bachelor's degree from Arizona State University in 1994 and his master's degree from Mississippi State University in 2009. Byrne is married to the former Regina Misa of Junction City, Ore., and the couple has two sons, Nick and Davis.
